MBDA membership provides valuable benefits for beer distributors—

- ◆ Government affairs lobbying promotes and protects your interests in Harrisburg. Permitting distributors to sell less than a case and allowing distributors to add wine and liquor to their inventory are top priorities for MBDA.

- ◆ Our public relations campaign by way of newspapers, radio & television is directed to consumers and the legislature. A key to consumer convenience is to allow distributors to sell in less than case quantity and to offer consumers a one-stop shopping experience within a control system by permitting distributors to sell wine and liquor.

- ◆ MBDA's executive staff is only a phone call away to offer advice on any industry issue or problem.

- ◆ Newsletters are regularly sent to members to keep you up-to-date on court, legal, legislative and regulatory issues.

- ◆ Savings through MBDA's discounted programs pay for your dues many times over. Members with business insurance through Penn National have earned 42% in dividends over the past six years. PNC Merchant Services offers members the lowest possible fee schedule to process debit cards @ 1.84% and credit cards @ 1.94% WITH NO TRANSACTION FEES!
