MBDA membership provides valuable benefits for beer distributors—

◆ MBDA was the driving force behind the enactment of Package Reform Legislation (Act 166) that allows beer distributors to sell all packages sizes from a single to a case including growlers.

◆ Our public relations campaign by way of newspapers, radio & television is directed to consumers and the legislature. MBDA continues to ensure that grocery, convenience and big-box stores not be permitted to sell beer by the case or in their aisles.

◆ MBDA's executive office is only a phone call away to offer advice on any industry issue or problem. You'll have access to legal services from our attorney who specializes in the Liquor Code.

◆ Newsletters and emails are regularly sent to members to ensure that you're up-to-date on legal, legislative and regulatory issues.

◆ Income you generate and savings you realize through MBDA's discounted programs pay for your dues many times over. Members make transaction revenue through our ATM program and save thousands of dollars a year in insurance premium costs, credit/debit card processing fees, and electric utility rates.
